Subject: Acme Systems production duration

Dear Customer,

Thanks you very much for your interest in our products. Please let us address your concerns with regards to long-term availability of the following products:

Acme Systems will sell a form, fit and function compatible device of the:

- **RoadRunner** module up to at least the year **2024**
- **Acqua** module up to at least the year **2024**
- **Aria** module up to at least the year **2024**
- **Arietta** module up to at least the year **2024**
- **FOX Board G20** module up to at least the year **2019**
- **Netus G20** module up to at least the year **2019**
- **FOX Board LX** module is discontinued but still under production on request.

In the event that any circumstances that are beyond our control or legislation obliges us to obsolete the device or that no orders have been received for an 12-month period, Acme Systems srl reserves the right to obsolete the device prior to expiration Supply Period, and will meet with the customer in order to try to find a suitable solution.

If you have any concerns about anything in this letter, please feel free to contact us for further information.

A handwritten signature in black ink, appearing to read "Sergio Tanzilli".

Sincerely,

Sergio Tanzilli
Product Marketing Director
Acme Systems srl
